Illinois Department of Children and Family Services

NOTIFICATION OF INITIAL PROTECTIVE ACTION PLAN
FOSTER HOMES AND DAY CARE HOMES

SCR # _____

Facility name _____

Notification to Licensee:

The Illinois Child Care Act requires that any licensee or member of the household who is the subject of a formal child abuse/neglect investigation must be restricted during the pendency of the investigation from contact with children whose care has been entrusted to that licensee. You or a member of your household have been named as a alleged perpetrator in a report of suspected child abuse/neglect. Department Rules and Procedures require that a Protective Plan be initiated by Department staff to restrict the alleged perpetrator's contact with children in your foster home or day care homes during the pendency of this investigation. As a licensee, you are legally required to comply with the terms of the Protective Plan as stated below. The PROTECTIVE PLAN IS SUBJECT TOFINAL APPROVAL BY THE LICENSING ADMINISTRATOR.
